**Back by popular demand!** All aboard the motorcoach for the short drive the Nashville TN for one of Music City's most treasured traditions with Amy Grant and Vince Gill's beloved "Christmas at the Ryman". In years past, the husband and wife duo have filled the show with Christmas favorites such as "Let It Snow," "Have Yourself a Merry Little Christmas," "Tennessee Christmas," "O Holy Night" and "O Come All Ye Faithful." Traditionally, the show closes with one of the most emotional moments of the night with a rendition of "'Til the Season Comes 'Round Again."

The shows have been serving as the ultimate holiday tradition for many years, with music fans from across the country and around the world flocking to the historic venue to take in the sweet sounds of two of Music City's most cherished performers.

We will stop for lunch along the way before heading to the historic Ryman Auditorium, one of the most celebrated venues in modern music and the premier music hall for concerts and events.
