## Buddy - The Buddy Holly Story

Before the Beatles and the Rolling Stones ever played a note, popular music was forever changed by a bespectacled kid from Lubbock, Texas – Buddy Holly! Experience the true story of Holly's meteoric rise to fame, starting with "That'll Be the Day" hitting the airwaves in 1957 that launched his short, but spectacular career. With over a dozen of Holly's greatest hits brought to life by performers playing their own instruments, Buddy celebrates the legend who changed the face of Rock & Roll forever and features Holly's "Peggy Sue," "Everyday," and "Oh Boy," plus Ritchie Valens' "La Bamba" and The Big Bopper's "Chantilly Lace." *Buddy* has had audiences on their feet in every corner of the globe and is ready to explode on the Playhouse stage in a toe-tapping, hand-clapping extravaganza, which will have you up and dancing in the aisles!

Join Sue Beason of **Dan's Tours and Travel** for fun, exciting day. We will travel through central Tennessee and enjoy the gorgeous mountain views. We will have lunch along the way and enjoy a stop Simonton's Cheese House before arriving at the Cumberland County Playhouse. **The Cumberland County Playhouse** is now the only major non-profit professional performing arts resource in rural Tennessee, and one of the 10 largest professional theaters in rural America. It serves more than 145,000 visitors annually with two indoor stages, an outdoor venue, Theater for Young Audiences productions, a comprehensive education program, and a concert series.
